

Make your own button!

Instructions

1. **Think about an issue that is important to you** or something (or someone) you want to show support for.
2. **Use this printed template or draw a circle on a paper and cut it out.** Tip: to make your own, trace the rim of a coffee mug or cup to make a perfect circle.
3. **Create a short slogan to share your ideas about this topic.** A slogan is a short, memorable phrase or a motto.
4. **Decorate your button.** Be creative by drawing or cutting out pictures.
5. **Create your button using your images and your slogan.** Use markers, crayons, or colored pencils to help your work stand out and grab attention. Attach any loose items with tape or glue.
6. **Use a safety pin to pin the button to your shirt and wear it proudly!** You can also use a piece of tape.
7. **Have an adult help you post a photo or video** of your button on social media and tag [@JRFoundation](#) on Twitter and Instagram or [@JRF42](#) on Facebook.
